Whatever works in the details. I just want to get the dates confirmed and get back to the Colonel's assistant to confirm.

So far, the Colonel would only be joining for the Libby tour and is currently ONLY avail **on June 5**, so Libby needs to happen that day. I have a message out to Ryan (assistant) to see if the Colonel's schedule has opened up and if he is "available" to tour the Columbia Falls site as well. (Doug extended the invitation) So far, it is just Libby on June 5.

I would need to know WHERE to tell him where everyone is staying the evening of the 4th so he can join up.

That would work. There really isn't a community event. He could potentially attend a Columbia Falls City Council meeting Monday evening. However with the short window I would suggest we do a CFAC site tour, invite the Congressional aides and city officials to join us and then hold a Q&A or listening session after the tour on site. Then Head to Libby from there. Do the Libby tour and head back Tuesday afternoon.

Will this work for the subject trip to Montana?

Fly Doug into Kalispell Sunday, June 3. Do the Columbia Falls Community event (Doug wants more info on this) and Columbia Falls tour on June 4. Meet up with Colonel Hudson early June 5 for the Libby site tour, and return Doug to Denver the evening of June 5. He wants to be back in Denver June 6, 7, and 8 for the state directors' meetings.

The Colonel is also available June 13 and 14, however there is a COOP event on June 14 and Doug needs to be here for that.
